Re: pavers you installed and the work you did for us

Let me commend you on a "terrific job" as you installed 2 paver sidewalks for us. They add tremendously to the appearance of our property and have increased the value of our home as well.

I might note this work you did, approximately 4 years ago, still has the same appearance as first completed, the pavers are nice and even, there is no grass coming up between the pavers and the edging remains neat in appearance too.

We are very satisfied with the work you performed, the professionalism of your staff and the fact you "picked up and cleaned everything up afterwards".

It would be our recommendation anyone who might read this letter strongly consider using your firm for their project.

Sincerely,

A handwritten signature in black ink that reads 'Curt Klose'.
